YOGA BEHIND BARS AMBASSADOR PROGRAM

YBB has a relevant voice and stake in hundreds of events in our community per year. We need the help of friendly, passionate, and knowledgeable friends who can spread the message about YBB's work and expand the organization's knowledge, tools, and relationships.

As an ambassador, you will:

- Volunteer to be the Ambassador of the Month for 1-3 months per calendar year. During those particular months you will:
 - Sign up to attend at least 2 events on our calendar
 - Keep an eye out for any relevant upcoming events
 - Update/report back to YBB staff key takeaways from event
- Represent YBB online and in-person and informal events, yoga classes, etc.

To support you, YBB will:

- Host an ambassador info session, where you will learn the ins and outs of our programs, partnerships, and development work
- Offer a fundraising pitch workshop (led by our development team) if applicable
- Create a diverse calendar of inspiring community and in-house events, and share these events publicly
- Be in touch regularly. Also feel free to call us any time with questions!
